All TCRC Members,

On March 1, 2024, you received a bargaining update letter informing you that the conciliators had been appointed and that the earliest a work stoppage could occur is May 21<sup>st</sup> of this year.

This letter is to inform you that I have miscalculated the 81-day period of this process. The confirmed earliest date that a work stoppage can occur is **00:01 on May 22<sup>nd</sup>** of this year.

I apologize for any confusion this may cause.

As an additional reminder, the TCRC is currently arranging the appropriate strike vote(s) which will begin April 8<sup>th</sup>. The process will be electronic **without a mail out portion**. As a result, **the TCRC must have an email on record for you to receive a ballot**.

We remind and request every member to ensure their contact information is up to date so that you can receive the appropriate information to participate in your applicable strike vote.

In Solidarity,

Paul Boucher  
President  
Teamsters Canada Rail Conference
